# Scavenger Hunt

# How many can you find?

Businesses around the town have posters in their windows and you just need to fill in the name of the fish in the spaces below, next to the poster number you find it on.

When you are finished, or have found as many as you can, please take a picture and email to [info@lbfic.com](mailto:info@lbfic.com) to enter our monthly draw and a chance to win a Debby Mason poster that shows all the wonderful creatures.
